

Part-Time/Dual-Enrollment/Dual-Credit Programs

BHCA offers three programs designed to help meet the needs of those families who are seeking to educate their children using more than one track. They offer families some flexibility in creating what they feel is the best opportunity for their students.

PART-TIME STUDENT PROGRAM

The Part-Time Student program is geared primarily to families that wish to home school their children in addition to having them enrolled at BHCA. This program allows students to take courses that help complete their individual academic program. Students in the part-time program are only on campus during their class times. This program is available to students 1st through 12th grade.

- Students in 1st through 5th grade will be required to be in class one-half day either in the morning or in the afternoon.
- Students in 6th through 12th grade will be able to take up to 6 classes at BHCA.

DUAL-CREDIT PROGRAM

Dual-Credit is a state program that allows students that meet eligibility requirements to take courses at Black Hills State University or other accredited college or university and obtain college and high school credit at the same time. There are separate per-course fees for this program through the college or university, but the credits are offered at a much reduced rate for students in the program. This is an excellent way for students to get a jump start on their college education and save a considerable amount of money at the same time.

- Available to eligible juniors and seniors in high school.
- Students are allowed to take classes at BHCA in addition to their Dual-Credit courses. The table on the right shows a recommended number of additional courses for students taking Dual-Credit courses.
